OFFICE OF PETITIONS

Sir:

Applicant presents this Petition to Revive An Unintentionally Abandoned Application pursuant to an unintentional failure to respond to a Notice to File Corrected Application Papers dated April 30, 2001. Although the undersigned Attorney received the Notice to File Corrected Application Papers, the Notice, through an error and without deceptive intent, was not entered into the undersigned Attorney's docket system, resulting in an unintentional failure to timely respond to the Notice. The undersigned Attorney received a Notice of Abandonment from the U.S. Patent Office on June 5, 2003, and thus presents this Petition responsive thereto.

Applicant therefore respectfully requests the revival of the referenced application as the entire delay in filing the required reply to the Notice to File Corrected Application Papers from the due date of the reply until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional.

Submitted herewith is a reply to the Notice to File Corrected Application Papers.
